EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. This application is in condition for allowance except for the presence of claims 23, 24, 27-31 and 34 directed to species non-elected without traverse. Accordingly, claims 23, 24, 27-31 and 34 have been cancelled. Please note that the Applicant has indicated that claims 23, 24, 29-31 and 34 are amongst those that "read on the allowable species of claims 18, 36, and 37" the Examiner respectfully disagrees. With respect to claims 23-24, the cylinder element that envelopes the retaining member is element 32 which is only disclosed in relation to the embodiment shown in Figure 2, which does not include an expandable fabric bag, a folded bellows or telescopic pipe expansion unit. With respect to claims 29-31, the lift piston secured in a locking position by the retaining member is shown in relation to Figures 5 and 6, and doesn't include a fabric bag, folded bellows or telescopic pipe expansion unit. With respect to claim 34, the lift limiter 34 which is a movable fabric part or tearable or bendable sheet metal or deformable plastic part is only shown in relation to Figure 2, and this embodiment doesn't include a fabric bag, folded bellows or telescopic pipe expansion unit, as required by claim 18. In the remarks of page 8, the Applicant states that Group III was

elected, without traverse, with the understanding that upon allowability of Species III, additional species will be examined. However, the Applicant is advised that it is only upon allowance of a generic claim that the applicant is entitled to consideration of additional claims which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141.

3. Claims 18-20, 22, 32, 35-37 are allowed.
